7.2 Overview of the business activities of the Axel Springer Group

Pursuant to its own statements, measured on both revenue in the digital market and on the number of digital subscriptions, Axel Springer is a leading media and technology company with an emphasis on digital classifieds and journalism. In the period from January to September 2019, according to the quarterly statement as of September 30, 2019, about 73% of revenue was generated through digital activities. Measured on revenue, Axel Springer operates one of the world's largest portfolios of digital classifieds. From an economic point of view, these offers are the most important pillar in the group, particularly those in the sub-segment Jobs and Real Estate. In addition, the offers in the News Media segment include a broad portfolio of successfully established brands such as the BILD and WELT Group in Germany or Insider Inc. in the United States. The Marketing Media segment comprises the businesses that generate revenue predominantly through reach-based or performance-based forms of advertising.

Axel Springer's business activities are bundled in three operating segments: Classifieds Media, News Media and Marketing Media. In addition, there is the Services/Holding segment.

Classifieds Media

The Classifieds Media segment encompasses all business models that generate their revenues primarily through advertising customers paying for the advertising of jobs, real estate, cars, etc. Axel Springer has built up one of the world's largest portfolios of leading online classified portals in the last ten years. The activities of the Classifieds Media segment are divided into two operative areas: StepStone and AVIV.

News Media

The News Media segment primarily includes business models that are based on content creation and funded by paying readers and/or advertising. The News Media segment is subdivided into national and international offers.

Marketing Media

The Marketing Media segment comprises all business models the proceeds of which are generated predominantly by advertising customers in reach-based or performance-based marketing. The Marketing Media segment is divided into reach-based and performance-based offers.

Services/Holding

Within the Services/Holding segment group services, which also include the three domestic printing plants, as well as the holding functions are reported. Group services are purchased by in-house customers at arms-length prices.

Business performance and operating results, employees

In the period from January to September 2019, the Axel Springer Group generated revenue of EUR 2,263.7 million (period in previous year EUR 2,326.0 million).

7.3 Corporate bodies

The executive board of Axel Springer SE currently consists of Dr. Mathias Döpfner (Chairman), Jan Bayer (President News Media International), Dr. Stephanie Caspar (President News Media National & Technology), Dr. Julian Deutz (Chief Financial Officer) and Dr. Andreas Wiele (President Classifieds Media). Dr. Andreas Wiele will relinquish his mandate as an executive board member at the end of May 2020 and step down from the executive board of Axel Springer SE.

The supervisory board of Axel Springer SE consists of nine members, all of which are appointed by the shareholders. The current members of the supervisory board are Ralph Büchi (Chairman), Dr. h.c. Friede Springer (Vice-Chairman), Philipp Freise, Oliver Heine, Johannes P. Huth, Franziska Kayser, Ulrich Plett, Professor Dr.-Ing. Wolfgang Reitzle and Martin Varsavsky.

7.4 Persons acting jointly with Axel Springer SE

On the basis of the information in the possession of the Bidder at the time of publication of this Offer Document, the companies listed in **Annex 1** are subsidiaries of Axel Springer SE and are therefore considered to be persons acting jointly with each other and with Axel Springer SE pursuant to Section 2 para. 5 sentence 2 in conjunction with sentence 3 WpÜG.

The Bidder, together with Dr. hc. Friede Springer, can exert a controlling influence within the meaning of Section 2 para. 6 WpÜG on Axel Springer SE. The Bidder is of the opinion that Dr. Mathias Döpfner has no controlling influence within the meaning of Section 2 para. 6 WpÜG in relation to Axel Springer SE, as Dr. hc. Friede Springer directly and indirectly holds the vast majority of the shares which are subject to the Pool Agreement. On the basis of this assessment, Axel Springer SE and its subsidiaries listed in **Annex 1** would be considered

to be persons acting jointly with Dr. h.c. Friede Springer and the Bidder pursuant to Section 2 para. 5 sentence 3 WpÜG. As a consequence, further persons acting jointly with Axel Springer SE are those companies through which Dr. h.c. Friede Springer (indirectly) holds her interest in Axel Springer SE (please refer to Section 6.5.2 of this Offer Document), *i.e.* Friede Springer Verwaltungs GmbH, FSKG, AS Publizistik GmbH and ASGP as well as the Bidder Parent Companies listed in **Annex 3** (Part 1) and the other subsidiaries of KKR Management LLP (Part 2).

Other than these persons, there are, according to the information available to the Bidder at the time of publication of this Offer Document, no further persons that are deemed to be persons acting jointly with Axel Springer SE pursuant to Section 2 para. 5 sentence 2 WpÜG.

7.5 Information on the statements of the executive board and the supervisory board of Axel Springer SE

According to Section 27 para. 1 WpÜG, the executive board and the supervisory board of Axel Springer SE are each required to issue a statement on the Delisting Tender Offer and all amendments thereof. The executive board and the supervisory board of Axel Springer SE must publish this statement in each case without undue delay after the transmission of this Offer Document and any amendments by the Bidder pursuant to Section 14 para. 3 sentence 1 WpÜG.

As part of the Delisting Agreement (as explained in more detail in Section 8.3 of the Offer Document), the executive board and supervisory board of Axel Springer SE have, subject to the assessment of the Offer Document and their statutory obligations, undertaken to confirm in their reasoned statement pursuant to Section 27 para. 3 WpÜG in conjunction with Section 14 para. 3 WpÜG that (i) in their opinion the Delisting Tender Offer is in the corporate interests of Axel Springer SE and (ii) the consideration is at least equal to the statutorily required minimum price.

8. BACKGROUND OF THE DELISTING TENDER OFFER

8.1 Previous Takeover Offer

The Bidder is already a controlling shareholder of Axel Springer SE. Beyond this, (i) the Bidder Parent Companies, (ii) Dr. h.c. Friede Springer, (iii) Friede Springer Verwaltungs GmbH, (iv) FSKG, (v) AS Publizistik GmbH, (vi) ASGP, (vii) Dr. Mathias Döpfner, (viii) Epiktet Verwaltungs GmbH and (ix) Epiktet exercise control over Axel Springer SE due to the allocation of voting rights described in Section 6.5.5 (those entities named in (ii) to (ix) the “**Other Controlling Parties**”).

As a result of the settlement of the Previous Takeover Offer by Traviata II and other subsequent acquisitions, the Bidder has acquired an interest in Axel Springer SE of approximately 45.02% of the share capital and the voting rights of Axel Springer SE. The Previous Takeover Offer occurred in implementation of the Agreement of 12 June 2019 between Traviata II, the Bidder and the Existing Shareholders and was directed at the acquisition of a strategic interest by the Investor. Under the Agreement of 12 June 2019, the Bidder undertook, subject to the settlement of the Previous Takeover Offer, to participate in and support the strategy of Axel Springer SE together with the Existing Shareholders. Furthermore, the Agreement of 12 June 2019 provides that the Investor and the Existing Shareholders’ Companies agree, subject to the settlement of the Previous Takeover Offer, to

coordinate their actions in respect of Axel Springer SE and its entrepreneurial orientation, including also the coordinated exercise of voting rights attached to the Axel Springer Shares held by them at such time.

The Previous Takeover Offer was settled on 18 December 2019. Also on 18 December 2019, the Agreement of 12 June 2019 was supplemented and specified by the Shareholders' Agreement and the Parent Undertaking. Since then, the Axel Springer SE has been jointly controlled by the consortium consisting of the Investor and the Other Controlling Parties.

8.2 Economic and strategic background of the Delisting Tender Offer and the Delisting

Traviata II had already disclosed its intention in Section 9.5 of the offer document published on 5 July 2019 regarding the Previous Takeover Offer to, subject to the settlement of the Previous Takeover Offer, propose to the Existing Shareholders and the executive board of Axel Springer SE for Axel Springer SE to file an application for revocation of the admission to trading pursuant to Section 39 para. 2 sentence 1 BörsG with those stock exchanges the shares in Axel Springer SE are admitted to for trading on the regulated market. Since the settlement of the Previous Takeover Offer, the Bidder and the persons acting jointly with them within the meaning of Section 2 para. 5 WpÜG together hold about 90% of the shares in Axel Springer (see Section 6.5 of this Offer Document for details). Following settlement of the Previous Takeover Offer, the Investor, in particular with a view to the marginal remaining free float, again addressed the benefits of the Delisting for Axel Springer SE and discussed these with the Company. The Investor remains convinced that Axel Springer is best positioned for the future as a non-listed company and that the Delisting is in the interests of Axel Springer SE and the Axel Springer Shareholders. The Delisting will enable the Company to take decisions with a long-term perspective, independent of investor expectations and the special regulations which listed companies are subject to. Moreover, the Delisting will allow for a reduction in the administrative costs associated with maintaining the listing due to the additional legal provisions which apply to listed companies. In addition, according to the assessment of the Bidder and the executive board of Axel Springer SE, Axel Springer SE is not dependent on access to the stock exchange as a means to acquire capital.

8.3 Delisting Agreement of 23 January 2020

On 23 January 2020, Traviata B.V. and Axel Springer SE concluded an agreement in which they laid out their mutual understanding and their intentions in relation to the Delisting (the “**Delisting Agreement**”).

8.3.1 Supporting the Delisting

The Delisting Agreement stipulates that, in the view of the executive board and supervisory board of Axel Springer SE, terminating the admission to trading of the Axel Springer Shares on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) is in the corporate interest of Axel Springer. Therefore, the executive board of Axel Springer SE welcomes the Delisting Tender Offer and undertakes to support, to the extent legally permissible, the Delisting Tender Offer in accordance with the Delisting Agreement and to take all measures to implement the Delisting. The Delisting Agreement provides that the Delisting Application shall be filed no later than five working days (*Werktage*) prior to the expiry of the Acceptance Period for the Delisting Tender Offer. The precise date when the delisting will become effective will be coordinated between the Parties to the Delisting Agreement. The Delisting shall not become effective before the end of the

Acceptance Period. It is currently assumed that the delisting will become effective on 4 May 2020.

Furthermore, Axel Springer SE has undertaken to take all reasonable measures, to the extent legally permissible, of the law to end the inclusion of Axel Springer Shares in the sub-segment Berlin Second Regulated Market of the Berlin Stock Exchange (*Wertpapierbörse Berlin*) as well as open market trading, to the extent that such inclusion occurred upon an application by Axel Springer SE, effective no earlier than the time of the Delisting.

The duties of Axel Springer SE under the Delisting Agreement are all subject to the condition that the corporate bodies of Axel Springer SE do not breach their legal duties to Axel Springer SE as a result of the relevant measure.

8.3.2 Consent to the acquisition of Axel Springer Shares

In the Delisting Agreement, Axel Springer SE has given its irrevocable consent pursuant to § 5(3) of the articles of association of Axel Springer SE to acquisitions of Axel Springer Shares by the Bidder during the period from the announcement of the intention to launch the Delisting Tender Offer on 23 January 2020 until settlement of the Delisting Tender Offer. This irrevocable consent in particular relates to the acquisition of Axel Springer Shares tendered into the Delisting Tender Offer.

8.3.3 Intentions and obligations of Traviata B.V.: Investor Agreement of 12 June 2019

In the Delisting Agreement the Bidder confirmed that it will continue to support the growth of the Axel Springer Group as well as investments in the business of the Axel Springer Group and that it will develop the business of the Axel Springer Group in cooperation with Axel Springer SE in compliance with the investor agreement entered into on 12 June 2019 between the Investor, the Existing Shareholders' Companies and Axel Springer SE (the "**Investor Agreement**"). The Investor Agreement remains unaffected by the Delisting Agreement. The substantial principles and provisions of the Investor Agreement to the extent they continue to be relevant following settlement of the Previous Takeover Offer can be summarised as follows:

(a) *Guiding principles*

The Investor Agreement is guided by the principles that (i) this agreement does not affect the statutory obligations of Axel Springer SE's executive board and supervisory board, and that (ii) no influence is to be exerted on the editorial content of Axel Springer SE's journalistic business and the editorial independence of such business is to be maintained.

(b) *Supervisory board of Axel Springer SE*

As regards the representation of the Existing Shareholders' Companies and of the Investor on Axel Springer SE's supervisory board as well as the composition of Axel Springer SE's executive board, the arrangements made between the Investor and the Existing Shareholders under the Agreement of 12 June 2019 were also adopted in the Investor Agreement. These arrangements were also included in the Shareholders' Agreement and confirmed. Accordingly, the supervisory board shall consist of nine members and shall have an independent chairman. For the term of his current appointment, Mr Ralph Büchi will remain chairman of the supervisory board. The Investor will be entitled to nominate members for election to the supervisory board depending on the amount of the Investor's shareholding up to a maximum number of four members. As long as the Investor holds a participation in Axel

NON-BINDING ENGLISH TRANSLATION

Springer SE's share capital exceeding 5%, the Investor is entitled to nominate one supervisory board member. If the Investor's participation in Axel Springer SE's share capital is 20% or more, the Investor is entitled to nominate one member of the supervisory board's executive committee. Currently three members nominated by the Investor are members of Axel Springer SE's supervisory board, namely Johannes Huth, Philipp Freise and Franziska Kayser.

Furthermore, the parties to the Investor Agreement agree that Axel Springer SE shall continue to be a two-tier European stock corporation (*Societas Europaea* - SE) with an executive board and a supervisory board. The Investor Agreement further states that the Investor and the Existing Shareholders' Companies do not intend to make any structural changes in respect of Axel Springer SE that may cause an obligation to renegotiate employee participation rights within the meaning of Section 18 para. 3 of the German SE Participation Act (*SE-Beteiligungsgesetz*) and that may also jeopardise Axel Springer SE's protection of interest groups (*Tendenzschutz*) within the meaning of German co-determination law. The Investor and the Existing Shareholders' Companies will consult thereon with Axel Springer SE in the individual case.

(d) Uniform voting policy; communication

It was further agreed that all rights and any influence the Investor on the one side and the Existing Shareholders' Companies on the other side may have will only be exercised in a uniform manner towards Axel Springer SE. The parties further agreed that the Investor's communication towards Axel Springer SE, starting from the settlement of the Offer, should be made through specific contacts appointed for this purpose.

(e) No intention to sell

It was agreed in the Investor Agreement that the Investor and the Existing Shareholders' Companies intend not to sell any Axel Springer Shares during a period of, in principle, five years from settlement of the Previous Takeover Offer. This five-year holding period was confirmed in the Shareholders' Agreement.

(f) Term of the Investor Agreement

The Investor Agreement will terminate in the case the Shareholders' Agreement is terminated, with the Shareholders' Agreement considered terminated for these purposes also where the Investor's only remaining right is to nominate one member on Axel Springer SE's supervisory board on the basis of a participation of at least 5%. In addition, specific provisions of the Investor Agreement relating essentially to Axel Springer SE's governance will no longer be applicable if Axel Springer SE is no longer jointly controlled by the Investor and the Existing Shareholders' Companies. Furthermore, the parties have common rights to extraordinary termination, for example in case of material breaches of duty.

8.3.4 Term of the Delisting Agreement

The Delisting Agreement has been valid since the date of its signing on 23 January 2020 for a term of one year and provides for common rights to termination.

9. INTENTIONS OF THE BIDDER AND THE BIDDER PARENT COMPANIES

The intentions of the Bidder described below are the uniform intentions of the Bidder and the Bidder Parent Companies with regard to Axel Springer SE and, to the extent affected by the Delisting Tender Offer, with regard to the Bidder and the Bidder Parent Companies. These intentions refer to the date of publication of this Offer Document.

Aside from the intentions set out in Section 9 of this Offer Document, the Bidder and the Bidder Parent Companies have no intentions with regard to Axel Springer SE and, to the extent affected by the Delisting Tender Offer, with regard to the Bidder and the Bidder Parent Companies. As far as the Bidder is aware, the Other Controlling Parties also have no intentions with regard to Axel Springer SE and, to the extent affected by the Delisting Tender Offer, with regard to the Bidder as well the Bidder Parent Companies, which deviate from those intentions described in this Section 9 of this Offer Document.

9.1 Delisting

The Bidder intends to effect the Delisting jointly with Axel Springer. To this end, Axel Springer has undertaken in the Delisting Agreement to file the Delisting Application with the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) concerning the Axel Springer Shares no later than five working days (*Werktage*) prior to the expiry of the Acceptance Period for the Delisting Tender Offer. In order to facilitate the Delisting Application by Axel Springer and the Delisting, the Bidder has prepared and published the Delisting Tender Offer pursuant to Section 39 para. 2 sent. 3 no. 1 BörsG.

If the management of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) grants the Delisting Application by the management board of Axel Springer, it will revoke the admission of the Axel Springer Shares to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*). Also going forward Axel Springer will not apply for admission of Axel Springer Shares to trading on the regulated market (*regulierter Markt*) or on the open market (*Freiverkehr*) on the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) or another organised trading platform.

In the event that the management of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) grants the Delisting Application, the listed Axel Springer Shares which were not tendered during the Acceptance Period will be traded on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) under ISIN DE0005501357 until the revocation decision becomes effective. Pursuant to Section 46 para. 3 of the Rules of the Frankfurt Stock Exchange (*Börsenordnung der Frankfurter Wertpapierbörse*) a revocation of admission to trading in accordance with Section 39 para 2 sentence 3 no. 1 BörsG will become effective within three trading days after publication of the revocation decision by the management board of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*). The Delisting is not to become effective before the end of the Acceptance Period. It is currently assumed that the Delisting will come into effect on 4 May 2020.

The Delisting will in particular have the following consequences for the Axel Springer Shares and the Axel Springer Shareholders:

- a) In the event of Delisting, trading of the Axel Springer Shares on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) will end. The Bidder assumes that the management of the Berlin Stock Exchange (*Wertpapierbörse Berlin*) will terminate the inclusion of the Axel Springer Shares in the

sub-segment Berlin Second Regulated Market of the Berlin Stock Exchange (*Wertpapierbörse Berlin*) pursuant to Section 17 para. 2 sentence 1 in conjunction with Section 17 para. 1 of the terms and conditions for the Berlin Open Market (*Geschäftsbedingungen für den Freiverkehr an der Wertpapierbörse Berlin*) shortly after the revocation of the admission to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*). The Axel Springer Shares are not admitted to trading on another regulated market within Germany or the European Union or the European Economic Area. Therefore, Axel Springer Shareholders will not have access to a regulated market for Axel Springer Shares, which may detrimentally affect the ability to trade in Axel Springer Shares.

- b) Upon delisting, trading of the Axel Springer Shares on XETRA, the electronic trading system of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*), ends at the same time.
- c) In the Delisting Agreement, Axel Springer undertook to not apply for the inclusion of Axel Springer Shares to trading on the open market of any stock exchange and to end existing inclusions no earlier than when the Delisting comes into effect where such inclusion occurred upon application by Axel Springer. Even if Axel Springer Shares should remain or become included in open market trading at a stock exchange, these markets may not have sufficient liquidity to enable normal trading activities with Axel Springer Shares.
- d) It cannot be ruled out that the Delisting Application will adversely affect the stock exchange price of Axel Springer Shares in the future, for example after settlement of the Delisting Tender Offer.
- e) Upon consummation of the Delisting, several transparency and trading provisions will no longer apply to the trade with Axel Springer Shares, in particular Sections 33 et seqq., 48 et seqq. WpHG, Art. 17 to 19 of Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (market abuse regulation) and certain other provisions of the German Stock Corporation Act, the German Commercial Code and the Rules of the Frankfurt Stock Exchange (*Börsenordnung der Frankfurter Wertpapierbörse*). This will result in a significant lower level of protection for Axel Springer Shareholders.

9.2 Future business activities, assets and future obligations of Axel Springer

9.2.1 Strategic partnership with Axel Springer

As shown in Section 8.1, the Bidder's participation in Axel Springer SE is a strategic investment together with the Existing Shareholders and Existing Shareholders' Companies. To the extent permitted by law, the Bidder therefore also intends, together with the Existing Shareholders, and with regard to the future business activities, the assets and the future obligations of Axel Springer SE, to continue to cooperate closely with Axel Springer's executive board and to support the latter in further developing the information offerings of the diverse media brands and digital classifieds offers and, in view of the rapidly changing and very competitive business environment, in reinforcing the Company's market position through further strategic and operational initiatives and investments into its growth.

- (a) The Bidder supports the Company's plans for organic growth which require, among other things, substantial investments in employees, products, technologies and brands in order to strengthen the added value for customers and consumers and to increase

the Company's value sustainably. The Bidder intends to support the strategy of the Axel Springer executive board of continuing the WELT Group business unit on the condition that annual earnings are managed appropriately

- (b) The Bidder further intends to support the executive board in identifying and assessing opportunities for strategic investments and acquisitions in the interest of Axel Springer SE. Axel Springer's growth strategy provides that, in addition to the Company's organic development and depending on acquisition opportunities, further acquisition should also contribute to growth, which, depending on the amount of capital required, could also be financed by equity provided by the Bidder.
- (c) The Bidder further intends to support the executive board in other strategic and operating initiatives for the long-term reinforcement of the Company's capacity for innovation and productiveness and its attractiveness as an employer.

9.2.2 Capital structure

It is intended that Axel Springer SE shall continue to make growth-oriented investments and acquisitions. The Bidder and the Existing Shareholders' Companies will strive for a continuous debt ratio for Axel Springer of four times net debt in proportion to EBITDA (in each case measured over the last twelve months). There are no other intentions to change the capital structure.

9.2.3 Editorial independence

The Bidder, the Existing Shareholders and Axel Springer SE intend that Axel Springer shall continue to be a leading voice of independent journalism across all channels, on both a national and international level. Against this background, the Bidder together with the Existing Shareholders agreed in the Investor Agreement to maintain editorial independence of Axel Springer SE's journalistic activities.

9.2.4 Brand names

The Axel Springer Group is the owner of a number of strong brands that enjoy a high status and recognition value among customers and consumers in the relevant markets and countries. The Bidder therefore intends to keep the brand names and to support Axel Springer in further increasing brand recognition.

9.3 Registered office and headquarters of Axel Springer and material parts of the business

The Bidder does not intend to relocate the corporate seat (*Satzungssitz*) of Axel Springer in Berlin or the main headquarters of Axel Springer away from Berlin. The Bidder does not intend to cause any other member of the Axel Springer Group to relocate their corporate seats or their headquarters. As regards closing or merging sites, the Bidder recognises the competence of Axel Springer SE's executive board and has no intentions that go beyond supporting any plans or recommendations of the executive board.

9.4 Employees, employee representation and employment conditions

The current and future business success of the Axel Springer Group substantially depends on the competence and commitment of its staff. The Bidder recognises that the Axel Springer Group as a digital publishing house directly competes for employees with other technology companies, and therefore supports the Company in its plans to increase its attractiveness as an employer.

NON-BINDING ENGLISH TRANSLATION

The Bidder recognises the competence of Axel Springer's executive board in relation to the structuring of employment conditions and the staff situation and has no intentions in respect of the employees of the Axel Springer Group, their representation and employment conditions that go beyond supporting any plans and recommendations of the executive board.

The Bidder does not intend to implement any structural changes in respect of Axel Springer SE that may cause an obligation to renegotiate employee participation rights within the meaning of Section 18 para. 3 of the German SE Participation Act (*SE-Beteiligungsgesetz – SEBG*) and that may furthermore jeopardise Axel Springer SE's protection of interest groups (*Tendenzschutz*) within the meaning of German co-determination law.

9.5 Members of Axel Springer's executive board and supervisory board

The Bidder intends, in accordance with an arrangement made in the Investor Agreement, that Axel Springer's structure as a two-tier European stock corporation (*Societas Europaea - SE*) with an executive board and a supervisory board is maintained.

The Bidder intends that Axel Springer's current executive board will remain in office. Only Dr. Andreas Wiele will resign as a member of the executive board at the end of May 2020 and leave the executive board of Axel Springer SE.

The Bidder intends to fully support Axel Springer's executive board in the implementation of its strategy and to work together with Axel Springer's executive board in a constructive manner.

The Bidder intends that Axel Springer's supervisory board will continue to be comprised of nine members, all of which are elected by the shareholders. The Bidder intends that the supervisory board will continue to be chaired by an independent chairman who has a casting vote in case of a tie. As described in Section 8.3.3, the Bidder will continue to seek to be represented on the supervisory board based on the amount of its shareholding. The Bidder will be entitled to nominate a maximum of four out of the nine supervisory board members for election. As described in Section 8.3.3 of the Offer Document, there are currently three members nominated by the Bidder on the supervisory board of Axel Springer SE.

The Bidder would welcome the establishment of a new management participation programme at the level of Axel Springer. The relevant decisions will be made by the competent bodies of Axel Springer, in accordance with their duly exercised discretion.

9.6 Structural measures

The Bidder intends to implement the Delisting as described in Section 9.1 above. Whether and which further structural measures (such as, for example, the conclusion of a domination and profit transfer agreement, a squeeze-out or fundamental changes to the capital structure) will be implemented will be assessed by the Bidder in consultation with the Existing Shareholders and Existing Shareholders' Companies when appropriate. The Bidder does not have any intentions in this regard.

9.7 Intentions with regard to the business activities of the Bidder and the Bidder Parent Companies

Except for the effects on the assets, liabilities, financial position and results of the Bidder set forth in Section 15 of this Offer Document, the Bidder and the Bidder Parent Companies and – to the Bidder's knowledge – the Other Controlling Parties have no intentions as regards the registered seats of the companies or the location of material parts of the business, the business

activities, the use of the assets or future obligations of the Bidder and the Bidder Parent Companies, the members of the corporate bodies of the Bidder and the Bidder Parent Companies, or the employees, their representation and the employment conditions of the Bidder and the Bidder Parent Companies in connection with the present Delisting Tender Offer. As shown in Section 8.3.3 e) of this Offer Document, the Investor and the Existing Shareholders' Companies have no intention of selling any Axel Springer Shares within five years of settlement of the Previous Takeover Offer.

10. EXPLANATION OF THE ADEQUACY OF THE OFFER CONSIDERATION

10.1 Minimum offer price

Pursuant to Section 39 para. 3 sent. 2 BörsG in conjunction with Section 31 para. 1 and 7 WpÜG as well as Sections 4 and 5 WpÜG Offer Regulation, in the case of a Delisting Tender Offer the Bidder is required to offer Axel Springer Shareholders adequate consideration for their Axel Springer Shares. In doing so, the consideration may not be less than a minimum value to be determined according to these provisions. According to these provisions, the minimum price to be offered to the Axel Springer Shareholders must be equal to the higher of the following values (a) and (b):

- (a) Pursuant to Section 39 para. 3 sentence 2 BörsG in conjunction with Section 31 paras. 1 und 7 WpÜG and Section 4 WpÜG Offer Regulation, the consideration must be at least equal to the highest consideration provided or agreed for the acquisition of Axel Springer Shares by the Bidder, a person acting jointly with the Bidder within the meaning of Section 2 para. 5 sentences 1 and 3 WpÜG or their subsidiaries within the last six months prior to the publication of the Offer Document (the “**Pre-Acquisition Period**”).
- (b) Pursuant to Section 39 para. 3 sentence 2 BörsG in conjunction with Section 31 paras. 1 und 7 WpÜG and Section 5 WpÜG Offer Regulation, the consideration must be at least equivalent to the weighted average domestic stock exchange price of the Axel Springer Shares during the last six months prior to the publication of the decision to submit the Delisting Tender Offer pursuant to Section 39 para. 2 sentence 3 no. 1 BörsG in conjunction with Section 10 para. 1 sentence 1 WpÜG on 23 January 2020 (the “**Six-Month Average Price**”).

10.2 Prior Acquisitions

As described in Section 6.6.1 of this Offer Document, the Bidder acquired 45,859,688 Axel Springer Shares upon settlement of the Previous Takeover Offer, which took place within the Pre-Acquisition Period. The highest consideration agreed and paid for any of these previous acquisitions amounted to EUR 63.00 per Axel Springer Share.

Furthermore and as described in detail in Section 6.6.2 and 6.6.3 of this Offer Document, the Bidder and persons acting in concert with the Bidder within the meaning of Section 2 para. 5 WpÜG have acquired a total of 6,019,931 Axel Springer Shares on and off the stock exchange within the Pre-Acquisition Period. This amount consists of the following acquisitions:

- (a) 1,330,735 Axel Springer Shares were acquired by Europe V Opportunistic Investors L.P.

NON-BINDING ENGLISH TRANSLATION

- (b) 1,919,847 Axel Springer Shares were transferred by Europe V Opportunistic Investors L.P. to the Bidder (as explained in detail in para. 6.6.3 of the Offer Document). Of these 1,919,847 Axel Springer Shares, Europe V Opportunistic Investors L.P. has acquired the 1,330,735 Axel Springer Shares mentioned under lit. a) within the Pre-Acquisition Period and the remaining Axel Springer Shares before the commencement of the Pre-Acquisition Period.
- (c) 790,549 Axel Springer Shares were acquired by the Bidder.
- (d) 1,978,800 Axel Springer Shares were transferred by Dr. Mathias Döpfner to Epiktet (as described in Sections 6.6.2 of the Offer Document).

The highest consideration agreed and paid for any of these previous acquisitions amounted to EUR 63.00 per Axel Springer Share.

Therefore, the consideration offered to Axel Springer Shareholders must amount to at least EUR 63.00 per Axel Springer Share pursuant to Section 39 para. 3 sent. 2 BörsG in conjunction with Section 31 para. 1 and 7 WpÜG and Section 4 WpÜG Offer Regulation.

10.3 Six-Month Average Price

The minimum price described in Section 10.1(b) is determined based on the Six-Month Average Price of Axel Springer Shares pursuant to Section 39 para. 3 sent. 2 BörsG in conjunction with Section 31 para. 1 and 7 WpÜG and Section 5 WpÜG Offer Regulation.

On 23 January 2020, the Bidder announced its decision to launch the Delisting Tender Offer. The weighted Six-Month Average Price until and including the reference date 22 January 2020 equals EUR 62.91 per Axel Springer Share as communicated by BaFin by letter dated 31 January 2020. Therefore, the consideration offered to Axel Springer Shareholders must amount to at least EUR 62.91 per Axel Springer Share pursuant to Section 39 para. 3 sent. 2 BörsG in conjunction with Section 31 para. 1 and 7 WpÜG and Section 5 WpÜG Offer Regulation.

10.4 Offered Consideration

The Bidder offers a consideration of EUR 63.00 in cash for each Axel Springer Share (see Section 4).

10.5 Adequacy of the Offer Consideration

The offered consideration of EUR 63.00 per Axel Springer Share equals the offer consideration for the Previous Takeover Offer and the highest consideration which the Bidder agreed and paid in the period described in Section 10.1(a) for acquisitions outside the Previous Takeover Offer for each Axel Springer Share. Therefore, the consideration meets the requirements of Section 39 para. 3 sent. 2 BörsG in conjunction with Section 31 para. 1 and 7 WpÜG and Section 4 WpÜG Offer Regulation.

From the Bidder's perspective, the Previous Takeover Offer was deemed attractive by the other Axel Springer Shareholders. The Previous Takeover Offer was accepted for 45,859,688 Axel Springer Shares, i.e. about 42.50% of the share capital of Axel Springer SE. It should be considered in this regard that, due to qualified non-tender agreements, the Previous Takeover Offer was not allowed to be accepted for 47,990,389 Axel Springer Shares (approximately 44.48% of the share capital of Axel Springer SE).

Furthermore, in determining the Offer Consideration, the Bidder specifically took into account the historical development of the stock exchange price of the Axel Springer Share. The stock exchange price is a widely accepted factor and a suitable basis for determining the adequacy of the consideration for listed shares. The Bidder is of the opinion that the Offer Consideration contains significant premiums when compared to the stock exchange price unaffected by the market rumours which emerged before the Previous Takeover Offer and is therefore adequate.

On 29 May 2019 after XETRA trading hours, an ad-hoc announcement of Axel Springer SE was published, stating that Axel Springer SE is conducting negotiations with KKR and Dr. h.c. Friede Springer on a potential strategic investment by KKR in Axel Springer SE. Following publication of this ad-hoc announcement, the share price of Axel Springer Shares increased on the following trading day and on 30 May 2019 closed at EUR 55.10, *i.e.*, 22.17% higher than the closing price of EUR 45.10 on 29 May 2019, the day of publication of the ad-hoc announcement (in each case based on the closing stock exchange price for the Axel Springer Share in the electronic trading system (XETRA closing price) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*)).

The Bidder is of the opinion that from 30 May 2019 the share price of the Axel Springer Share was influenced by market rumours regarding a potential strategic investment by KKR in Axel Springer, and therefore considers 29 May 2019 to be the last trading day of Axel Springer Shares on which the price of Axel Springer Shares was unaffected by takeover speculations.

Based on the stock exchange price of the Axel Springer Share on 29 May 2019, the last trading day prior to which rumours about a takeover of Axel Springer appeared, the Offer Consideration includes the following premiums:

- (a) The stock exchange price (XETRA closing price) on 29 May 2019 amounted to EUR 45.10 per Axel Springer Share. Based on this stock exchange price, the Offer Consideration of EUR 63.00 includes a premium of EUR 17.90 or 39.7%.
- (b) The volume-weighted average stock exchange price (XETRA closing price) in the last three months prior to (and including) 29 May 2019 amounted to EUR 47.93. The Offer Consideration of EUR 63.00 thus includes a premium of EUR 15.07 or 31.5% based on this average price.

Based on the stock exchange price of the Axel Springer Share prior to the publication of the decision to make this Previous Takeover Offer on 12 June 2019, the Offer Consideration of EUR 63.00 includes the following premiums:

- (a) The stock exchange price (XETRA closing price) on 11 June 2019, the last trading day prior to publication of the decision to make this Previous Takeover Offer, amounted to EUR 56.00 per Axel Springer Share. Based on this stock exchange price, the Offer Consideration of EUR 63.00 includes a premium of EUR 7.00 or 12.5%.
- (b) The weighted three-month average price until and including 11 June 2019 equals EUR 49.35 per Axel Springer Share as communicated by BaFin by letter dated 19 June 2019. The Offer Consideration of EUR 63.00 thus includes a premium of EUR 13.65 or 27.7% based on this average price.

No valuation methods have been employed to determine adequacy other than those shown in this Offer Document.

NON-BINDING ENGLISH TRANSLATION

Furthermore, the Offer Consideration of EUR 63.00 per Axel Springer Share exceeds the Six-Month Average Price of the Axel Springer Share of EUR 62.91 (see Section 10.3). Therefore, it meets the requirements of Section 39 para. 3 sent. 2 BörsG in conjunction with Section 31 para. 1 and 7 WpÜG and Section 3 sentence 1 WpÜG Offer Regulation.

The Offer Consideration per Axel Springer Share is adequate for the aforementioned reasons.

10.6 No compensation for loss of certain rights

The articles of association of Axel Springer do not provide for the application of Section 33b para. 2 WpÜG. The Bidder is therefore not obliged to pay any compensation pursuant to Section 33b para. 5 WpÜG.

11. REGULATORY APPROVALS AND PROCEDURES

BaFin approved the publication of the German version of the Offer Document on 21 February 2020.

No further regulatory approvals, authorisations or procedures are required in connection with the publication of the Offer Document.

12. CLOSING CONDITIONS

The Delisting Tender Offer satisfies the requirements for a tender offer pursuant to Section 39 para. 2 sentence 3 no. 1 BörsG and is, in particular, not subject to any conditions. Therefore, closing of the Delisting Tender Offer and the agreements concluded with the Axel Springer Shareholders as a result of acceptance of the Delisting Tender Offer are not subject to any closing conditions.

13. ACCEPTANCE AND SETTLEMENT OF THE DELISTING TENDER OFFER FOR AXEL SPRINGER SHARES

13.1 Central Settlement Agent

The Bidder has appointed UniCredit Bank AG, Arabellastraße 14, 81925 Munich to act as central settlement agent (the “**Central Settlement Agent**”) for the Delisting Tender Offer.

In accordance with Sections 13.3 and 13.4 below, the Axel Springer Shareholders accepting the Delisting Tender Offer will transfer their Tendered Axel Springer Shares and their title therein to the Bidder.

13.2 Declaration of acceptance and rebooking

Note: Axel Springer Shareholders who wish to accept the Delisting Tender Offer should contact their custodian bank or other custodian investment service provider with registered office or a branch in the Federal Republic of Germany with any questions they may have regarding acceptance of the Delisting Tender Offer and the technical aspects of settlement. Those banks and service providers have been separately informed about the modalities for acceptance and settlement of the Delisting Tender Offer and are required to inform customers who hold Axel Springer Shares in their securities deposit accounts about the Delisting Tender Offer and the steps required to accept it.

Axel Springer Shareholders may only accept the Delisting Tender Offer if, during the Acceptance Period, they:

NON-BINDING ENGLISH TRANSLATION

- (a) give a declaration of acceptance of the Delisting Tender Offer in text form (the “**Declaration of Acceptance**”) *vis-à-vis* their own custodian investment service provider (the “**Custodian Bank**”), and
- (b) instruct their Custodian Bank to effect the rebooking of the Listed Axel Springer Shares which are held in their securities deposit account into ISIN DE000A254W03 (Tendered Listed Axel Springer Shares) or of the Non-Listed Axel Springer Shares into ISIN DE000A254WZ4 (Tendered Non-Listed Axel Springer Shares) at Clearstream.

The Declaration of Acceptance will only become effective if the Tendered Axel Springer Shares have been rebooked into ISIN DE000A254W03 (Tendered Listed Axel Springer Shares) or ISIN DE000A254WZ4 (Tendered Non-Listed Axel Springer Shares) at Clearstream by no later than 18:00 hrs. (Frankfurt am Main local time) / 12:00 hrs. (New York local time) on the second Banking Day after expiry of the Acceptance Period. Such rebookings are to be effected by the relevant Custodian Bank without undue delay after receipt of the Declaration of Acceptance.

Declarations of Acceptance not received by the respective Custodian Bank within the Acceptance Period, or received but erroneously or incompletely filled out, will not be regarded as acceptance of the Delisting Tender Offer and do not entitle the respective Axel Springer Shareholder to receive the Offer Consideration. Neither the Bidder nor persons acting on its behalf are obliged to notify the respective Axel Springer Shareholder of any deficiencies or errors in the Declaration of Acceptance and they bear no liability if such notification is not made.

13.3 Further declarations by Axel Springer Shareholders upon acceptance of the Delisting Tender Offer

By accepting the Delisting Tender Offer pursuant to Section 13.2 of this Offer Document,

- (a) the accepting Axel Springer Shareholders instruct and authorise their respective Custodian Banks and any intermediate custodians of the relevant Tendered Axel Springer Shares
 - (i) to leave the Tendered Axel Springer Shares in the securities deposit account of the accepting Axel Springer Shareholder for the time being, but to cause their rebooking into ISIN DE000A254W03 (Tendered Listed Axel Springer Shares) or ISIN DE000A254WZ4 (Tendered Non-Listed Axel Springer Shares) at Clearstream;
 - (ii) to instruct and authorise Clearstream to make the Tendered Axel Springer Shares available to the Central Settlement Agent in its securities account at Clearstream for transfer of title to the Bidder without undue delay following expiry of the Acceptance Period;
 - (iii) to instruct and authorise Clearstream to transfer the Tendered Listed Axel Springer Shares (ISIN DE000A254W03) and the Tendered Non-Listed Axel Springer Shares (ISIN DE000A254WZ4), in each case including any ancillary rights existing at the time of the settlement of the Delisting Tender Offer, in particular the right to dividends, without undue delay to the Bidder concurrently and simultaneously (*Zug um Zug*) against payment of the Offer Consideration for the relevant Tendered Axel Springer Shares to the account

NON-BINDING ENGLISH TRANSLATION

- of the relevant Custodian Bank at Clearstream in accordance with the provisions of the Delisting Tender Offer;
- (iv) to instruct and authorise any intermediate custodians of the relevant Tendered Axel Springer Shares and Clearstream to make available to the Bidder or to the Central Settlement Agent all information required for declarations or publications by the Bidder pursuant to the WpÜG, in particular to notify on each stock exchange trading day during the Acceptance Period the number of Axel Springer Shares booked into ISIN DE000A254W03 (Tendered Listed Axel Springer Shares) and ISIN DE000A254WZ4 (Tendered Non-Listed Axel Springer Shares), respectively; and
 - (v) to forward the Declaration of Acceptance or, if applicable, a declaration of withdrawal to the Central Settlement Agent upon request;
- (b) the accepting Axel Springer Shareholders instruct and authorise their respective Custodian Banks and the Central Settlement Agent, in each case under exemption from the prohibition of self-contracting pursuant to Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch – BGB*), to take all steps and to make and to receive all declarations necessary or expedient for the respective settlement of the Delisting Tender Offer in accordance with this Offer Document and in particular to effect the transfer of title to the Tendered Axel Springer Shares to the Bidder;
- (c) the accepting Axel Springer Shareholders declare that
- (i) they accept the Delisting Tender Offer for all Axel Springer Shares which are held in their securities deposit accounts with the Custodian Bank at the time they declare their acceptance of the Delisting Tender Offer, unless otherwise expressly stated in text form in the Declaration of Acceptance;
 - (ii) at the time of transfer of title to the Bidder, they are the sole holders of title to the Axel Springer Shares in respect of which they are accepting the Delisting Tender Offer and such shares are free from rights and claims of third parties; and
 - (iii) they will transfer their Tendered Axel Springer Shares to the Bidder concurrently and simultaneously (*Zug um Zug*) against payment of the Offer Consideration to the account of the relevant Custodian Bank with Clearstream without undue delay following the expiry of the Acceptance Period.

In the interest of a smooth and prompt settlement of the Delisting Tender Offer, the instructions, declarations, mandates, powers and authorisations listed in this Section 13.3(a) to (c) are issued irrevocably by the accepting Axel Springer Shareholders. They shall lapse only in the event of a valid withdrawal in accordance with Section 17 of this Offer Document from the contract concluded as a result of acceptance of the Delisting Tender Offer.

13.4 Legal consequences of acceptance

Upon acceptance of the Delisting Tender Offer, a contract for the sale of the Tendered Axel Springer Shares to the Bidder will come into existence between each accepting Axel Springer Shareholder and the Bidder, subject to the terms of this Offer Document. Subject to the terms of the Delisting Tender Offer, transfer of title to the Bidder will be effected upon settlement of

the Delisting Tender Offer. The contracts between the Axel Springer Shareholders accepting the Delisting Tender Offer and the Bidder are subject to German law. Furthermore, by accepting the Delisting Tender Offer, the accepting Axel Springer Shareholders issue and grant the instructions, authorisations, mandates and powers referred to in Section 13.3(a) and 13.3(b) of this Offer Document and make the declarations listed in Section 13.3(c) of this Offer Document.

13.5 Settlement of the Delisting Tender Offer and payment of the purchase price

Settlement of the Delisting Tender Offer will be effected by payment of the Offer Consideration as consideration for the Tendered Axel Springer Shares. The Central Settlement Agent will transfer the Offer Consideration as consideration for the Tendered Axel Springer Shares to the relevant Custodian Bank without undue delay upon expiry of the Acceptance Period, and at the latest on the tenth Banking Day following publication of the result of the Delisting Tender Offer pursuant to Section 23 para. 1 sentence 1 no. 2 WpÜG.

The Bidder will ensure that settlement of this Delisting Tender Offer will not take place directly before or after and not on the same date as a shareholders' meeting of Axel Springer SE. The Bidder advises that in the case of settlement of the Delisting Tender Offer prior to the cut-off dates relevant for the participation in this year's ordinary shareholders' meeting of Axel Springer SE as well as the entitlement to dividends, those Axel Springer shareholders who have accepted the Delisting Tender Offer will not be entitled to participate in the shareholders' meeting or to receive a dividend for the 2019 financial year for the Tendered Axel Springer Shares.

The Bidder has fulfilled its obligations to pay the Offer Consideration in respect of the Tendered Axel Springer Shares upon the Offer Consideration being credited to the account of the relevant Custodian Bank at Clearstream. It will be the relevant Custodian Bank's responsibility to transfer the Offer Consideration to the Axel Springer Shareholders.

13.6 Costs and expenses

The acceptance of the Delisting Tender Offer will in principle be free of costs and expenses of the Custodian Banks for the Axel Springer Shareholders who hold their Axel Springer Shares in a securities deposit account in the Federal Republic of Germany (except for the costs for transmitting the Declaration of Acceptance to the relevant Custodian Bank). For this purpose, the Custodian Banks will receive through the Central Settlement Agent a compensation in the form of a market-standard custodian bank commission. For the avoidance of doubt, the Bidder points out that it cannot, however, issue binding instructions to the Custodian Banks on what costs and expenses the Custodian Banks charge for the acceptance of the Delisting Tender Offer.

However, any additional costs and expenses charged by Custodian Banks or foreign investment service providers and any expenses incurred outside of the Federal Republic of Germany must be borne by the respective Axel Springer Shareholders. Any foreign exchange, sales taxes or stamp duty arising from the acceptance of the Delisting Tender Offer shall similarly be borne by the respective Axel Springer Shareholder.

13.7 Trading in Tendered Axel Springer Shares

It is not intended to organise or to apply for a listing of the Tendered Axel Springer Shares for trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) or another stock exchange. Axel Springer Shareholders who

have accepted the Delisting Tender Offer for Listed Axel Springer Shares will therefore no longer be able to trade their Tendered Listed Axel Springer Shares on the stock exchange once the Axel Springer Shares have been rebooked into ISIN DE000A254W03. The Bidder assumes that the management of the Berlin Stock Exchange (*Wertpapierbörse Berlin*) will terminate the inclusion of the Axel Springer Shares in the sub-segment Berlin Second Regulated Market of the Berlin Stock Exchange (*Wertpapierbörse Berlin*) pursuant to Section 17 para. 2 sentence 1 in conjunction with Section 17 para. 1 of the terms and conditions for the Berlin Open Market (*Geschäftsbedingungen für den Freiverkehr an der Wertpapierbörse Berlin*) shortly after the revocation of the admission to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*).

However, the Listed Axel Springer Shares that have not been tendered into the Delisting Tender Offer may still be traded on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) under the ISIN DE0005501357 and over the counter until the effectiveness of the Delisting.

13.8 Holders of American depositary receipts

The Delisting Tender Offer is not addressed to, and not capable of acceptance by, holders of American depositary receipts issued in relation to Axel Springer Shares – which are not sponsored by Axel Springer SE (the “**Axel Springer ADRs**”). The rights of holders of Axel Springer ADRs are governed by the respective deposit agreement between the relevant U.S. Depository and the respective holders of Axel Springer ADRs.

In order to accept the Delisting Tender Offer, holders of Axel Springer ADRs must arrange for cancellation of the Axel Springer ADRs and withdrawal of the Axel Springer Shares underlying the Axel Springer ADRs from the deposit facility in accordance with the terms and conditions of such facility (including the payment of any applicable fees, expenses or taxes). Once the former holders of Axel Springer ADRs have obtained Axel Springer Shares after the exchange, these Axel Springer Shares may then be tendered into the Delisting Tender Offer, subject to the terms of this Offer Document. The process may take several days, and, typically, some costs are imposed on the holders of Axel Springer ADRs. Holders of Axel Springer ADRs should take these additional time and cost considerations into account when making their decision as to whether to participate in the Delisting Tender Offer. Holders of Axel Springer ADRs should contact their respective U.S. Depository in case they have any questions regarding the timing, costs or process relating to the exchange of Axel Springer ADRs for Axel Springer Shares.

Costs and fees incurred in the course of the exchange of Axel Springer ADRs will not be reimbursed. The same applies to fees and costs incurred for a re-deposit of Axel Springer Shares in the ADR facility in the event the Delisting Tender Offer should fail.

14. FINANCING OF THE DELISTING TENDER OFFER

14.1 Maximum consideration

At the time of publication of this Offer Document, the number of Axel Springer Shares issued currently amounts to 107,895,311 shares. Currently, a total of 48,570,084 shares are directly held by the Bidder. If the Delisting Tender Offer were to be accepted for all Axel Springer Shares not directly held by the Bidder (*i.e.* for 59,325,227 Axel Springer Shares), the Offer

NON-BINDING ENGLISH TRANSLATION

Consideration of EUR 63.00 per Axel Springer Share would result in a financing requirement of approximately EUR 3,737,489,301 for the Bidder (the “**Maximum Consideration**”).

In addition, maximum transaction costs of EUR 10.0 million will be incurred in connection with the preparation and implementation of the Delisting Tender Offer (“**Transaction Costs**”).

The Maximum Consideration and the Transaction Costs thus result in a maximum financing requirement of EUR 3,747,489,301.

14.2 Qualified Non-Tender Agreements and Securities Account Blockage Agreements; Potential Tender Costs

On 4, 5 and 6 February 2020 respectively, the Bidder entered into the following qualified non-tender agreements with the Existing Shareholders, the Existing Shareholders’ Companies, Brilliant and with the Family Shareholders, in which the respective other party committed to the Bidder, irrevocably and unconditionally, not to tender into the Delisting Tender Offer the number of Axel Springer Shares set out in the table below (the “**Qualified Non-Tender Agreements**”).

Committed party	Holding covered by the Qualified Non-Tender Agreement
Dr. h.c. Friede Springer	5,502,450 Axel Springer Shares
ASGP	40,505,262 Axel Springer Shares
Epiktet	1,978,800 Axel Springer Shares
Brilliant	3,877 Axel Springer Shares
Ms Ariane Melanie Springer	1,039,467 Axel Springer Shares
Mr Axel Sven Springer	5,444,767 Axel Springer Shares
TOTAL:	54,474,623 Axel Springer Shares (corresponding to approximately 50.49% of the share capital of the Company)

If any of the committed parties set out above tenders Axel Springer Shares into the Delisting Tender Offer in breach of any of the above commitments under the Qualified Non-Tender Agreements, the relevant party further agreed to pay a contractual penalty to the Bidder which will be due and payable at the time the Offer Consideration becomes due for payment. Its amount will correspond to the number of Axel Springer Shares tendered into the Delisting Tender Offer in breach of the Qualified Non-Tender Agreement, multiplied by the Offer Consideration for each Axel Springer Share. It was further agreed in the Qualified Non-Tender Agreements that any claims the Existing Shareholders, the Existing Shareholders’ Companies, Brilliant or the Family Shareholders may have to the Offer Consideration in respect of Axel Springer Shares tendered into the Delisting Tender Offer in breach of the terms of the Qualified Non-Tender Agreements will be set-off against any claims the Bidder may have to payment of the contractual penalty. The stipulations regarding the contractual penalty also apply if, and to the extent that, any of the parties bound by a Qualified Non-Tender Agreement sells Axel Springer Shares to a third party in breach of the Qualified Non-Tender Agreement and such third party tenders such Axel Springer Shares into the Delisting Tender Offer.

NON-BINDING ENGLISH TRANSLATION

Furthermore, to ensure that the Existing Shareholders, the Existing Shareholders' Companies, Brilliant and the Family Shareholders cannot accept the Delisting Tender Offer in breach of the terms of the Qualified Non-Tender Agreements, agreements were entered into with the relevant Custodian Banks on 5 and 6 February 2020, under which each of the Existing Shareholders, the Existing Shareholders' Companies, Brilliant and the Family Shareholders, according to the extent of their commitments under the Qualified Non-Tender Agreements, instructed their Custodian Banks, irrevocably and unconditionally, (i) not to transfer the relevant Axel Springer Shares to another securities account or securities sub-account, (ii) not to deliver the relevant Axel Springer Shares to the securities account holder or any third party, (iii) not to execute selling orders relating to the relevant Axel Springer Shares, or (iv) not to provide support otherwise in a transfer or disposal of the relevant Axel Springer Shares (the "**Securities Account Blockage Agreements**").

In view of the conclusion of the Qualified Non-Tender Agreements and the Securities Account Blockage Agreements, the Bidder expects that no Offer Consideration will be payable in respect of 54,474,623 Axel Springer Shares. Hence, taking into account the 48,570,084 Axel Springer Shares directly held by the Bidder, only 4,850,604 Axel Springer Shares continue to be held by Axel Springer Shareholders for which the Delisting Tender Offer could potentially be accepted. On the basis of the Offer Consideration of EUR 63.00 per Axel Springer Share, the Offer Consideration required if all of these Axel Springer Shares were tendered into the Delisting Tender Offer would amount to EUR 305,588,052. Therefore, the total costs of acquiring these Axel Springer Shares including the Transaction Costs of the Delisting Tender Offer of up to EUR 10.0 million amount to approximately EUR 315,588,052 (the "**Potential Offer Costs**").

14.3 Financing measures

Before publishing the Offer Document, the Bidder has taken the necessary measures to ensure that the funds necessary for complete fulfillment of the Delisting Tender Offer will be available in due time. The Bidder has taken the following measures to ensure the financing:

KKR Group Partnership (as defined in Section 6.2 of the Offer Document), a Bidder Parent Company, committed to the Bidder on 6 February 2020 to provide the Bidder directly or indirectly with a total amount of up to EUR 316,946,395 in cash or immediately available funds in the form of equity capital and/or shareholder loans or similar instruments to finance the Potential Offer Costs (the "**Equity Funding**"). For the purposes of the Equity Funding, the 48,548,523 Axel Springer Shares directly held by the Bidder on 4 February 2020 was used as a basis. The amount of Equity Funding therefore exceeds the Potential Offer Costs.

KKR Group Partnership, previously operating under the company name KKR Fund Holdings L.P. is a holding company within the KKR structure which controls multiple general partners of KKR Funds including the general partner of KKR European Fund V, the fund which controls the Bidder. KKR Group Partnership has access – partially directly and partially via its affiliates – to the equity and debt capital (see Section 15.4 of the Offer Document).

14.4 Confirmation of Financing

UniCredit Bank AG, with registered office in Munich, an investment service provider that is independent of the Bidder, has issued the required financing confirmation pursuant to Section 13 para. 1 sentence 2 WpÜG, which is attached as **Annex 5**.

15. EXPECTED EFFECTS OF A SUCCESSFUL DELISTING TENDER OFFER ON THE ASSETS, LIABILITIES, FINANCIAL POSITION AND RESULTS OF THE BIDDER

The following explanatory financial information (“**Explanatory Financial Information**”) describes the expected effects of a successful settlement of the Delisting Tender Offer on the assets, liabilities, financial position and results of the Bidder.

15.1 Methodology

Based on unaudited financial information, the Explanatory Financial Information describes the expected effects that a successful Delisting Tender Offer would have on the simplified unaudited unconsolidated balance sheet of the Bidder as at 14 February 2020 if the Delisting Tender Offer had been successfully settled on 14 February 2020, and further describes the expected effects on the results of the Bidder.

The Explanatory Financial Information constitutes information (*Angaben*) within the meaning of Section 11 para. 2 sentence 3 no. 1 half-sentence 2 WpÜG and does not constitute pro-forma financial information. It was not prepared in accordance with the IDW Accounting Practice Statement for the Preparation of Pro Forma Financial Information (IDW RH HFA 1.004), deviates significantly from it, contains a simplified presentation and has not been audited.

By nature, the Explanatory Financial Information only describes a situation based on assumptions which is a preliminary and unaudited estimate of the balance sheet position and may prove to be correct or incorrect. It does not reflect the actual assets, liabilities, financial position and results of the Bidder and is not intended to predict the future assets, liabilities, financial position and results of the Bidder.

15.2 Starting point and assumptions

(a) Starting point

The Explanatory Financial Information is based on the following:

- (i) From its formation until the publication of this Offer Document, the Bidder has mainly only engaged in business activities in connection with the transactions described in this Offer Document, including the Previous Takeover Offer and its settlement. With date as of 31 January 2020, it is for the first time obliged to prepare a closing balance sheet and disclose its annual results. Currently however, neither audited accounts nor profit and loss statements of the Bidder are available. In order to show the effects of the Delisting Tender Offer on the annual financial statements of the Bidder, unaudited and unconsolidated financial information of the Bidder is used which was prepared in accordance with Dutch accounting principles.
- (ii) By accepting the Delisting Tender Offer, a contract between the accepting Axel Springer Shareholder and the Bidder for the sale of the Tendered Axel Springer Shares to the Bidder subject to the terms of the Delisting Tender Offer, is concluded. The transfer of title to the Bidder will be effected upon settlement of the Delisting Tender Offer and is also subject to the terms of this Delisting Tender Offer (please refer to Section 13.4 of this Offer Document).

(b) Assumptions

NON-BINDING ENGLISH TRANSLATION

The Explanatory Financial Information assumes, in particular, the following:

- (i) Save for those Axel Springer Shares which will not be tendered into this Delisting Tender Offer due to the Qualified Non-Tender Agreements and Securities Account Blockage Agreements entered into with the Existing Shareholders, the Existing Shareholders' Companies, Brilliant as well as the Family Shareholders (please refer to Section 14.2 of this Offer Document), all Axel Springer Shares not already owned by the Bidder, will be acquired at the Offer Consideration of EUR 63.00 per Axel Springer Share. As a result, a total purchase price for all shares of EUR 305,588,052 (*i.e.*, the Offer Consideration of EUR 63.00 per Axel Springer Share multiplied by 4,850,604 Axel Springer Shares) will have to be paid.
- (ii) The Transaction Costs will amount to a maximum of EUR 10.0 million. The exact amounts of the Transaction Costs and their division into incidental acquisition costs to be capitalised (*aktivierungspflichtige Anschaffungsnebenkosten*) and deductible expenses are currently not yet known. The description of the assets, liabilities, financial position and results is based on the (simplified) assumption that the Transaction Costs amount, in total, to EUR 10.0 million, of which 60% are estimated to be incidental acquisition costs for the acquisition of the Tendered Axel Springer Shares to be capitalised (*aktivierungspflichtige Anschaffungsnebenkosten*) and 40% to be expenses.
- (iii) For the financing of the Potential Offer Costs of EUR 315,588,052 funds from the Equity Funding in the amount of up to EUR 316,946,395 will be available to the Bidder.
- (iv) The exact form in which the Equity Funding will be made available to the Bidder (in the form of equity capital and/or on the basis of shareholder loans or similar instruments) is currently not yet known. The description of the assets, liabilities, financial position and results is based on the (simplified) assumption that the financing will be in the form of contributions to the equity capital (capital reserves) of the Bidder, as shown in the balance sheet (*(bilanzielle) Eigenkapital (Rücklagen)*).
- (v) Apart from the proposed acquisition of the Axel Springer Shares by the Bidder and the financing measures described in Section 14.3 and in this Section 15.2 as well as Section 15.4 of this Offer Document, no other effects on the assets, liabilities, financial position and results of the Bidder which may yet arise in the future are accounted for in the following presentation.

The Bidder points out that the effects of the Delisting Tender Offer on the future assets, liabilities, financial position and results of the Bidder cannot yet be precisely forecasted as of the present time. This is due, in particular, to the following reasons:

- The final amount of the total consideration owed in respect of the Tendered Axel Springer Shares will only be known after the transaction has been completed and the final number of Axel Springer Shares for which the Delisting Tender Offer has been accepted has been established.
- The exact amount of the Transaction Costs and their division into incidental acquisition costs to be capitalised (*aktivierungspflichtige Anschaffungsnebenkosten*) and immediately deductible expenses will not be known until settlement of the transaction.

- Tax effects, if any, on the Bidder have not been included for the sake of simplicity.

15.3 Effects on the individual financial statements of the Bidder

(a) Assets and liabilities and financial position

The Bidder estimates that the acquisition of Axel Springer Shares as a result of the Delisting Tender Offer will presumably have the following effects on the assets, liabilities and financial position of the Bidder based on the starting point and assumptions described in Section 15.2 of this Offer Document:

Balance sheet of the Bidder in kEUR (rounded)	As of 14 February 2020 (unaudited)	Expected changes due to settlement of the Delisting Tender Offer as of 14 February 2020 (unaudited)	After settlement of the Delisting Tender Offer as of 14 February 2020 (unaudited)

Total equity and liabilities	3,084,488	311,588	3,396,076

Notes:

- The item “financial assets” (investments) increases from kEUR 3,059,897 by an expected amount of kEUR 305,588 (total purchase price) plus an expected amount of acquisition costs subject to mandatory capitalisation of kEUR 6,000 to presumably kEUR 3,371,485 as a result of the transfer of title to the Tendered Axel Springer Shares to the Bidder in connection with the settlement of the Delisting Tender Offer.
- The item “liquid assets” (cash on hand) will remain unchanged as a result of the settlement of the Delisting Tender Offer because the Potential Offer Costs

NON-BINDING ENGLISH TRANSLATION

will be provided as equity capital by means of instantly available capital of the Bidder.

- The “prepaid expenses” will remain unchanged in the context of the settlement of the Delisting Tender Offer because 60% of the Transaction Costs are expected to constitute acquisition costs which increase the item “financial assets” (investments) and 40% of the Transaction Costs are expected to constitute immediately deductible expenses.
- The item “subscribed capital” will remain unchanged as a result of the settlement of the Delisting Tender Offer.
- The item “capital reserves” increases from kEUR 499,260 by an expected amount of kEUR 315,588 to presumably kEUR 814,848 as a result of the financing to the benefit of the Bidder in connection with the settlement of the Delisting Tender Offer (based on the assumption (for presentation purposes) that the Equity Funding will be made available entirely in the form of contributions to equity (please refer to Section 15.2(b)(iv) of this Offer Document).
- The item “profit / (loss) carried forward” from the previous year will not change as a result of the settlement of the Delisting Tender Offer.
- The item “profit / (loss)” of the current financial year changes from a current loss of kEUR 6,102 (loss-increasing) by the part of the Transaction Costs that is immediately deductible as expenses in the estimated amount of kEUR 4,000 to a loss of kEUR 10,102 as a result of the settlement of the Delisting Tender Offer.
- The item “liabilities” will likely not change as a result of the settlement of the Delisting Tender Offer since the Potential Offer Costs will be provided as Equity Funding in form of a contribution to the equity capital (capital reserves) of the Bidder, as shown in the balance sheet ((*bilanzielle Eigenkapital (Rücklagen)*)).

(b) Results

Future income of the Bidder will mainly consist of income from its investment in Axel Springer. The amount of future income of the Bidder from its investment in Axel Springer is uncertain. For the financial year 2017, Axel Springer has paid from its EUR 215.8 million retained earnings (*Bilanzgewinn*) a dividend of EUR 2.00 per dividend-bearing Axel Springer Share and for the financial year 2018, Axel Springer has paid from its EUR 226.6 million retained earnings (*Bilanzgewinn*) a dividend of EUR 2.10 per dividend-bearing Axel Springer Share. In both cases the whole of retained earnings of the company was used to pay the dividend. The annual report of Axel Springer for the financial year 2018 already states on page 66 that Axel Springer, subject to the condition of continued sound financial performance in the future, pursues a dividend policy of stable or slightly increased dividend pay-outs, while also allowing for the financing of growth. On page 70 of the joint reasoned statement by the executive board and the supervisory board regarding the Previous Takeover Offer published on 11 July 2019 as well as on page 4 of the interim financial report of Axel Springer SE as of June 30, 2019, it was pointed out that the executive board and the supervisory board of Axel Springer SE will decide on future

NON-BINDING ENGLISH TRANSLATION

proposals on dividends to be made to the shareholders' meeting taking into consideration the state of the implementation of the intended growth strategy and the financial means required in this aspect and that the dividend policy outlined in the annual report 2018 may be changed in the future. On 18 February 2020, the Company has informed the Bidder that on the same day, the executive board of Axel Springer SE had resolved upon a proposal for the appropriation of profits for the financial year 2019 for the annual shareholders' meeting on 22 April 2020. Pursuant to such proposal, the retained balance sheet profit (*Bilanzgewinn*) in the amount of EUR 125.2 million shall be used entirely for payment of a dividend of EUR 1.16 per Axel Springer Share for the financial year 2019. The proposal will likely be submitted to the supervisory board of the Company on 2 March 2020. The supervisory board will decide on the approval of the financial statements as well as its proposal for the appropriation of profits on 10 March 2020. Assuming that a dividend in the amount of EUR 1.16, such assumption being subject to the aforesaid condition, will be paid for the financial year 2019 and subject to the condition that the Bidder will acquire Axel Springer Shares except for the 54,474,623 Axel Springer Shares for which Qualified Non-Tender Agreements have been concluded (see Section 14.2 of this Offer Document), the Bidder expects that the income from the investment of the Bidder in Axel Springer will amount to approximately EUR 61,967,998 for the financial year 2020. Based on the aforesaid the dividend payment may however be lower. The future income of the Bidder depends on the dividend policy of Axel Springer SE.

The Bidder's operative earnings are reduced by the interest payments payable in connection with the external financing of the Previous Takeover Offer. The Bidder expects that the total annual interest expense for the currently existing external financing will be EUR 150 million per annum whereas only about EUR 40 million of these expenses are to be paid in cash.

15.4 KKR Funds and KKR Group Partnership

KKR Group Partnership, formerly KKR Fund Holdings L.P., is a holding entity in the KKR structure which controls several general partners of KKR funds, including the general partner of KKR European Fund V, which is the KKR fund that controls the Bidder. As of 31 December 2019, KKR Group Partnership had access to at least USD 2.34 billion (approximately EUR 2.09 billion) in cash and short-term investments. KKR Group Partnership also has access to a revolving credit facility of up to USD 1.0 billion (approximately EUR 907 million). This exceeds by far the amount of the Equity Funding KKR Group Partnership has undertaken to provide to the Bidder in connection with the Potential Offer Costs described in this Offer Document (see Sections 14.2 and 14.3 of this Offer Document).

16. POTENTIAL EFFECTS FOR AXEL SPRINGER SHAREHOLDERS WHO DO NOT ACCEPT THE DELISTING TENDER OFFER

Axel Springer Shareholders who do not intend to accept the Delisting Tender Offer should take the following into account:

- (a) For a description of the Delisting and the potential consequences resulting thereof, the Bidder refers to Section 9.1 of this Offer Document.

NON-BINDING ENGLISH TRANSLATION

- (b) The present stock exchange price of the Axel Springer Share reflects, among other things, the fact that the Bidder published its decision to launch this Delisting Tender Offer on 23 January 2020. It is uncertain whether, following settlement of the Delisting Tender Offer, the stock exchange price of the Axel Springer Shares will remain at its present level or rise above it or fall below it. The Bidder further points out that a stock exchange price for Axel Springer Shares on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) will no longer be available once the Delisting has become effective, *i.e.* presumably from 4 May 2020 onwards.
- (c) In the Delisting Agreement Axel Springer has undertaken to file a Delisting Application no later than five working days (*Werktage*) prior to the expiry of the Acceptance Period for the Delisting Tender Offer. Even if the Delisting Application should be delayed, the settlement of the Delisting Tender Offer may already result in a reduction of the free float of the issued Axel Springer Shares. It is further expected that the supply of and the demand for Axel Springer Shares will be less than today after settlement of the Delisting Tender Offer and therefore that the liquidity of Axel Springer Shares will decrease. It will therefore be possible that buy and sell orders with respect to Axel Springer Shares cannot be executed or cannot be executed within the envisioned timeframe. Moreover, the possible limitation of the liquidity of the Axel Springer Shares could result in substantially heavier price fluctuations of the Axel Springer Share in the future.
- (d) The Bidder, together with the Existing Shareholders and the Existing Shareholders' Companies, has the voting majority at the shareholders' meeting of Axel Springer SE to enforce (or participate in enforcing) decisions, also including structural measures under corporate law (for details on the Bidder's specific intentions in this regard, see Section 9.6 of this Offer Document) at the shareholders' meeting of Axel Springer. This includes, for example, resolutions on the appropriation of profits, the election and dismissal of members of the supervisory board, granting or rejecting ratification of the actions (*Entlastung*) of the executive board or supervisory board members, amendments to the articles of association, capital increases and, if the majority requirements under statutory law and articles of association are satisfied, possibly also the conclusion of a domination and profit transfer agreement, the exclusion of subscription rights for shareholders in capital measures as well as reorganisations, mergers and the dissolution of Axel Springer SE. Only in the case of some of the aforementioned measures would there be an obligation on the part of the Bidder under German law to submit to the minority shareholders, on the basis of a company valuation of Axel Springer, an offer to acquire their Axel Springer Shares in exchange for reasonable compensation or to grant other compensation. Because such company valuation would have to be based on circumstances existing at the time of the resolution adopted by the shareholders' meeting of Axel Springer for the respective measure, such offer for compensation could be equivalent in value to the Offer Consideration, but could also be lower or higher. Because of the potentially limited liquidity or in the event of a complete end to the inclusion of the Axel Springer Shares to stock exchange trading, it may not be possible to use the stock exchange price as the lower limit for a reasonable compensation for the purposes of any compensation offers.

17. RIGHTS OF WITHDRAWAL

17.1 Right of withdrawal in the event of an amendment of the Delisting Tender Offer as well as in the event of the launch of a Competing Offer pursuant to the WpÜG

According to the WpÜG, the following withdrawal rights apply for Axel Springer Shareholders who have accepted the Delisting Tender Offer:

- (a) In the event of an amendment of the Delisting Tender Offer pursuant to Section 21 para. 1 WpÜG, Axel Springer Shareholders may, until expiry of the Acceptance Period, withdraw from the contracts concluded as a result of acceptance of the Delisting Tender Offer pursuant to Section 21 para. 4 WpÜG, if and to the extent that they have accepted the Delisting Tender Offer prior to publication of the amendment of the Offer.
- (b) In the event of a Competing Offer pursuant to Section 22 para. 1 WpÜG, Axel Springer Shareholders may, until expiry of the Acceptance Period, withdraw from the contracts concluded as a result of acceptance of the Delisting Tender Offer pursuant to Section 22 para. 3 WpÜG, if and to the extent that they have accepted the Delisting Tender Offer prior to publication of the offer document for the Competing Offer.

17.2 Exercise of the right of withdrawal pursuant to the WpÜG

Axel Springer Shareholders may only exercise their right of withdrawal in respect of the Axel Springer Shares pursuant to Section 17.1 above prior to expiry of the Acceptance Period by

- (a) declaring their withdrawal in text form to their Custodian Bank for a specified number of Tendered Axel Springer Shares, where in the event that no number is specified, the withdrawal shall be deemed to have been declared for all of the Tendered Axel Springer Shares of the Axel Springer Shareholder concerned; and
- (b) instructing their Custodian Bank to cause such number of Tendered Axel Springer Shares held in their securities deposit accounts as is equivalent to the number of Tendered Axel Springer Shares in respect of which they have declared their withdrawal to be rebooked into ISIN DE0005501357 (Listed Axel Springer Shares) or DE0005754238 (Non-Listed Axel Springer Shares) at Clearstream.

Withdrawal takes place by declaration of the withdrawing Axel Springer Shareholder to be made in text form to the Custodian Bank, and by the Custodian Bank's rebooking of the Tendered Axel Springer Shares in respect of which withdrawal is being declared into the original ISIN DE0005501357 (Listed Axel Springer Shares) or DE0005754238 (Non-Listed Axel Springer Shares) at Clearstream. The Custodian Bank is required, without undue delay after receiving the declaration of withdrawal in text form, to cause the Tendered Axel Springer Shares in respect of which withdrawal is being declared to be rebooked into the original ISIN DE0005501357 (Listed Axel Springer Shares) or DE0005754238 (Non-Listed Axel Springer Shares) at Clearstream. The Listed Axel Springer Shares may again be traded under ISIN DE0005501357 immediately after rebooking. The Axel Springer Shares are considered to be rebooked in due time if rebooking has been effected at the latest on the second Banking Day after the end of the Acceptance Period, in each case by 18:00 hrs. (Frankfurt am Main local time) / 12:00 hrs. (New York local time).

18. PAYMENT OF MONEY OR OTHER CASH-EQUIVALENT BENEFITS GRANTED OR SUGGESTED TO EXECUTIVE BOARD MEMBERS OR SUPERVISORY BOARD MEMBERS OF AXEL SPRINGER SE AND POSSIBLE CONFLICTS OF INTEREST

No cash payments or any other cash-equivalent benefits have been granted by the Bidder or by a person acting jointly with the Bidder within the meaning of Section 2 para. 5 WpÜG either to executive board members or supervisory board members of Axel Springer SE in connection with this Delisting Tender Offer, nor have they been specifically suggested to executive board members or supervisory board members.

The Bidder considers, in principle, that a direct or indirect participation of board members in the share capital of Axel Springer SE makes sense in order to create medium- and long-term incentives for a sustainable increase of the enterprise value.

For the sake of completeness, the Bidder points out that the members of the supervisory board of Axel Springer SE Mr Johannes P. Huth, Mr Philipp Freise and Ms Franziska Kayser perform various functions in the KKR group. In addition, the Bidder points out that Dr. Andreas Wiele is expected to become a member of KKR's global senior advisory board as of 1 September 2020 resigning from the executive board of Axel Springer SE.

19. TAXES

The Bidder recommends that prior to accepting this Delisting Tender Offer, Axel Springer Shareholders obtain tax advice on the tax consequences of acceptance of this Delisting Tender Offer, taking into account their personal circumstances.

20. PUBLICATIONS AND NOTIFICATIONS

Pursuant to Section 14 para. 3 WpÜG, this Offer Document, the publication of which was permitted by BaFin on 21 February 2020, will be published on 21 February 2020 by way of (i) publication on the internet at <http://www.traviata-angebot.de/delisting> and (ii) keeping available copies of this Offer Document free of charge at UniCredit Bank AG, MFM1EG, Arabellastraße 14, 81925 Munich (orders by fax to +49 (0)89 378-44081 or by email to tender-offer@unicredit.de, stating a postal address for postal dispatch). NON-BINDING ENGLISH TRANSLATION

- on a daily basis during the final week prior to the expiry of the Acceptance Period (Section 23 para. 1 sentence 1 no. 1 WpÜG), and
